Hard Skill

- java programming
- C++
- HTML
- cloud computing
- web applications
- Ms word
- Ms excel
- logical thinking

Soft Skill

- Observation
- Decision making
- Communication
- Multi-tasking

Education Background

- Vignans Institute of Engineering for Women

  Engineering(Artificial Intelligence & Machine Learning)
  Pursuing : 2nd year
  expected completion: 2026

- Sri Chaitanya junior college
  Completed 11th and 12th grade
  Specialized in [mathematics,physics,chemistry]
  Percentage : 89
  Completed in 2022

- Sri Chaitanya techno School
  Pursed 10th grade
  Grade points : 10 on 10
  Completed in 2020

About Me

I'm Hema, an engineering student pursuing my B.Tech degree at Vignans Institute of Engineering for Women. With my strong coding skills in languages like Java, C++, and html, I love creating dynamic web applications that leave a lasting impression on clients. Let's connect and create remarkable web experiences together!"

Professional Experience

2024 – Present

- Web Developer Intern at [Microknots]
- - Gained hands-on experience in developing web applications using Java, HTML, and C++.
- - Collaborated with a team to contribute to the design and implementation of new features.
- - Assisted in testing and debugging to ensure smooth functionality.
- - Participated in code reviews to learn from experienced developers and improve coding skills.
- - Developed a solid understanding of web development principles and best practices.
- Languages known : English,Hindi,Telugu

Achievements

2023	Google cloud computing certification
2023	young Indians innovation certification
2024	java programming certification
